WOODEN BOXES

Full Protection Packaging.

Closed wooden cases built for maximum safety during export or interstate movement. Best for sensitive, costly, or heavy machinery requiring secure and enclosed packing. Designed to withstand pressure and rough transit conditions.

TYPES OF WOODEN BOXES

Ordinary Wooden | Pine Wooden

Wooden Solid Boxes :

Designed to protect machinery, equipment, and valuable items during storage, handling, and transportation.

Wooden Plywood Boxes :

Wooden Plywood Boxes are lightweight yet strong packaging boxes made using high-quality plywood sheets with a wooden frame.

"Custom Wooden Boxes for Export & Domestic Packing"

BTM

TYPES OF WOODEN CRATES

Ordinary Wooden

Ordinary wooden materials are made from locally available hardwood or softwood. They are strong, durable, and economical, making them suitable for general packaging.

Pine Wooden

Pinewood is lightweight, strong, and export-friendly. It is widely used for international shipments due to its softness, flexibility, and heat-treatment compatibility.

- Palletized Crates
- Custom-Sized Crates
- Heavy-Duty Industrial Crates
- Plywood Crates

HEAVY DUTY WOODEN CRATES

Heavy-duty wooden crates ideal for oversized equipment and irregular shapes. Ensures safe handling, easy loading-unloading, and long-lasting performance. Preferred by engineering, Pharma & Logistics industries.

OUR PACKING MATERIAL

OUR SERVICES

Lashing & Stuffing

Professional lashing and container stuffing services to secure cargo safely during transit. Ensures load stability, prevents movement, and reduces risk of damage during transportation.

Palletization Services

Systematic palletizing of goods for easy handling, storage, and transportation. Improves safety, efficiency, and compatibility with forklifts and container loading.

HDPE Tarpaulin Packing Cover

High-quality HDPE tarpaulin covers for protection against moisture, dust, rain, and external damage. Ideal for domestic and export shipments.

On-site Packing Services

Complete packing solutions provided at the client's location. Our team handles inspection, packing, lashing, and sealing on-site, saving time and ensuring safe handling of goods.

OUR VALUABLE CLIENTS

We are proud to serve a wide range of industrial, commercial, and export-oriented clients. Their continued trust and long-term association reflect our commitment to quality packaging, reliable service, and timely delivery.
